Zadeva: Obvestilo o pričetku zavračanja vozil brez VBS najave vstopa

Spoštovani,

obveščamo vas, da z dnem **26.11.2019** uvajamo ukrep zavračanja tovornih vozil brez VBS najave vstopa. Voznik brez najave vstopa, bo na vhodu v pristanišče zavržen in pozvan k ureditvi najave vstopa.

Ob uvedbi ukrepa ostajamo tolerantni za najave, ki znotraj istega dne nimajo ustreznega pogoja čas vstopa, torej je prihod vozila predčasen ali zamujen. Vseeno pa vas prosimo, da upoštevate navodila in prihode kamionov v najavljenih urah.

Voznikom, ki za vstop v pristanišče koristijo enkratne dovolilnice, svetujemo, da pred prihodom na vhod pristanišča preverijo status najave vstopa. Na zunanjem kamionskem terminalu še naprej nudimo asistenco pri vnosu VBS podatkov za voznika.

Za vsa dodatna vsebinska vprašanja VBS smo vam na voljo na elektronskem naslovu najava.kamionov@luka-kp.si in na telefonskih številkah na +386 (0)5 66 56 470 in 471. Za tehnično pomoč pa lahko pokličete na telefonsko številko +386 (0)80 1316 ali pišete na elektronski naslov pomoc.actual@actual-it.si.

Lep pozdrav,

Notification on denial of entry for trucks without VBS announcement

Dear business partners,

we would like to inform you that on **26.11.2019** we are introducing a measure of **refusal of trucks without VBS announcement of entry**. The driver, without announcement of entry, will be rejected at the port entrance and asked to arrange an announcement of entry.

When introducing the measure, we remain tolerant of announcements that do not have the appropriate time of entry within the same day, the arrival of the vehicle is premature or is delayed. However, you are kindly requested to follow the directions and arrivals within the hours announced.

Drivers who use one-time permits to enter the port are advised to check the entry announcement status before arriving at the port entrance. At the external truck terminal, we continue to provide assistance in entering VBS data for the driver.

If you have any question, please do not hesitate to email us at: najava.kamionov@luka-kp.si or call the phone numbers +386 (0)5 66 56 470 or 471. For technical assistance you may call the phone number +386 (0)80 1316 or email at: pomoc.actual@actual-it.si.

Yours faithfully,

Luka Koper, d. d.
